The annual **required** refresher for the Interagency Fire Crew is being offered in seven sessions. You only need to attend one of the seven sessions. Six of the sessions will be held at the Ohio Fire Academy and begin at 9:00 a.m. **All of the class sessions will be held in the Main Building.** Physical fitness testing will also be done in the afternoon at these sessions. The sessions will provide an overview of basic principles for wildland firefighting. Through group exercises, students will be asked to apply these principles to real-life fire scenarios which occurred in the 2013 fire season. We will also discuss crew callout procedures and the upcoming Western fire season.

As part of the refresher session, the annual work capacity testing (pack test) will also occur. This test consists of walking 3 miles with 45 pounds in 45 minutes. We will have some packs available for use but feel free to bring your own pack weighing 45 pounds to use on the day of the test. If you question your physical fitness level we encourage you to **test early and do not wait until the last date. Classes will be cancelled for low enrollment.**

If you are unable to attend any of the Fire Academy sessions you may be able to attend the refresher and work capacity testing on March 29, 2014 at the Zane State College. Contact Dave Hildebrand via email at dhildebrand@roadrunner.com or 740-454-0070 to register.

There are only 30 available seats in each refresher session. It is vital that if you plan on attending one of the refresher and work capacity testing sessions at the Ohio Fire Academy you can **contact me via email at** mrbailey@com.state.oh.us or fill out the registration slip (below) and mail in. Please register a minimum of one week before your requested date. Individuals that do not register in advance maybe denied participation. **In past years we have had several no shows for the refreshers, which prevented someone else from taking the class. If you need to cancel try to give us a THREE DAY NOTICE or you may not be allowed to reschedule.**

Send an E-Mail with the date of your choice or you can Mail or Fax this copy.
